

2022 LOOKBOOK

TP
ONE TRUE PAIR

ABOUT OTP

OTP is designed for those with an appreciation for unique and environmentally friendly eyewear at an affordable price point.

Retro-inspired yet always on trend, OTP is designed with modern structures and shapes for a fluid and weightless feel. Colors range from soft neutrals to metallic hues in a variety of finishes.

With the brand's focus on sustainability, OTP offers biodegradable acetate, packaging, and lens materials, plus sustainably crafted cases and recyclable nose pads.
